ROBOTICS CAMP

DESIGN, BUILD, AND PROGRAM ROBOTS!

IHMC's 2020 Robotics Summer Camp offers middle school students the opportunity to learn about computer programming and robots. Campers will work in teams to master Lego Mindstorms challenges. They will further develop their teamwork skills, their confidence in problem solving, and their creativity. Campers will hear several short presentations about state-of-the-art research at IHMC, and they will have the opportunity to eat lunch with an IHMC research scientist, in small groups. Also included is a tour of the IHMC robotics lab.

SESSIONS

1 Pensacola Session I
Rising 7th and 8th Graders
July 20-23, 9:00am - 3:00pm

2 Pensacola Session II
Rising 8th and 9th Graders
