# ROBOTICS 2026 CAMP

## BUILD AND PROGRAM ROBOTS!

IHMC's 2026 Summer Robotics Camp will offer students the opportunity to learn about computer programming and robotics. Campers will work in teams to master Lego Mindstorms challenges. They will further develop their teamwork skills, confidence in problem solving, and creativity. Campers will hear about state-of-the-art research at IHMC, and they will have the opportunity to eat lunch in a small group with a scientist, engineer, or other role model. The second session will include instruction in Python programming
