ROBOTICS 2026 CAMP

BUILD AND PROGRAM ROBOTS!

IHMC's 2026 Summer Robotics Camp will offer students the opportunity to learn about computer programming and robotics. Campers will work in teams to master Lego Mindstorms challenges. They will further develop their teamwork skills, confidence in problem solving, and creativity. Campers will hear about state-of-the-art research at IHMC, and they will have the opportunity to eat lunch in a small group with a research scientist. Campers will also experience an in-depth tour of IHMC's robotics lab, including a photo shoot with the Famous Atlas Robot

SESSIONS

1

Pensacola Session 1: Rising 8th & 9th Graders
June 8–11, 9:30 a.m. – 3 p.m.

2

Pensacola Session 2: Rising 9th & 10th Graders
June 15–18, 9 a.m. – 3 p.m.

DETAILS

Each session costs \$245. Students should select one camp session (only) based on grade level. Space is limited to 20 participants per session. Financial assistance may be available based on need. Priority will be given to students who haven't attended in prior years. Please email before registering students who have attended previously.

Please register via EventBrite at ihmc.us/robotics-camp beginning March 2
